

Precision Heat.

Clean Experience.

True Innovation

IMOTO G1 Series

One-Touch Heating. Always Session-Ready.
From your first puff to the last.
Free of charcoal, delivering a clean and eco-friendly experience.

IMOTO is more than a statement, it's a presence.
Crafted to command any space,
from sleek penthouse lounges to vibrant midnight gatherings.

Prone to fires

Thick, irritating smoke

Heavy indoor smoke odor and residue

Fire Extinguished. Perfection Ignited.

Playing with Fire-Literally.

ThermalGuard+ electric coils replace fire.
100% ash-free operation.

Toxic
Byproducts

Carbon
Monoxide

Benzene
Arsenic
Polyaromatic

Inhalation of tar

Dizziness and palpitations due to inhalation

Long-term use leads to increased body burden

Pure Vapor, Zero Residue

Electric heating eliminates combustion.100% OCO

Patented SteamPurerm tech removes
99.9% particulates.

Light the coal, chain to the bowl.

Interrupt your session, bitterness sets in.

Burning coal alters taste with every minute.

Tap our tech, taste in full control.

Stop for anytime, restart where you left-no flaw.

Advanced algorithms stabilize each draw.

30-60MIN

The Artisan's Burden.

Where 73% beginners abandon at coal stage.

Each preparation error amplifies flavor rage.

InstantStart™ Core

Precision heating coil reaches ideal temperature.

No guesswork, no waste, just guaranteed debut.

Engineered Ceramic

Even Heating, Easy to Clean, Certified Safe

Open Ceramic Pod Design

Engineered for openness, Redefine the Real Flavor

Creative Mastery

Open-Chamber Alchemy+Hygishaptm lids

Craft wild flavor fusions

Toss the top when done, purity preserved

TWO WAYS TO TRANSFORM YOUR MOMENT

Capsule Simplicity

NFC-Touch Instant Pods

Zero cleanup

Sealed freshness until your last puff

Closed the cap

Cleaning Made Easy and Smart

Lift the cap, brush, and you're done.

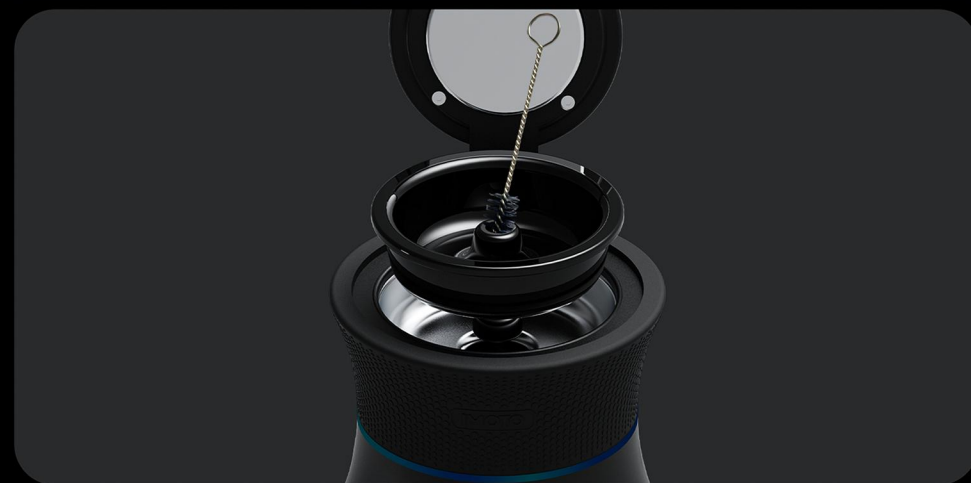

1, Toss the bowl cap

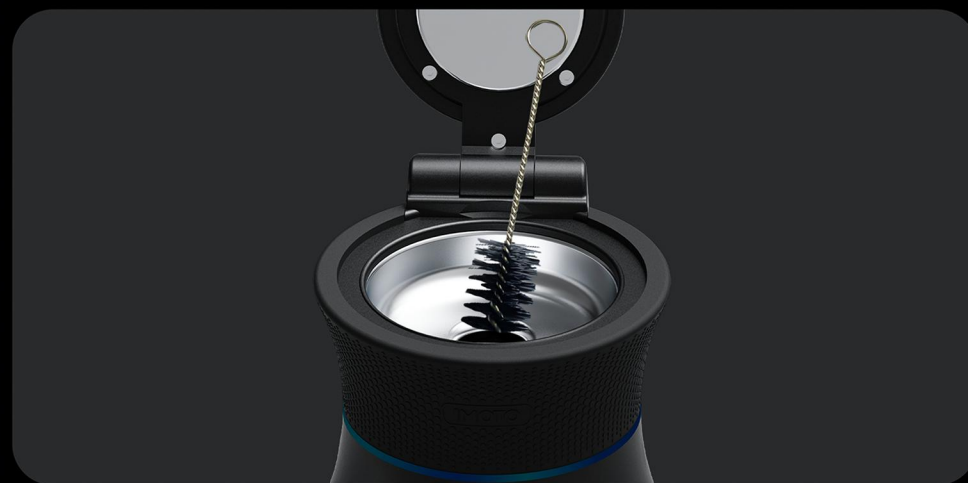

2, Clean the bowl

3, Clean the airway

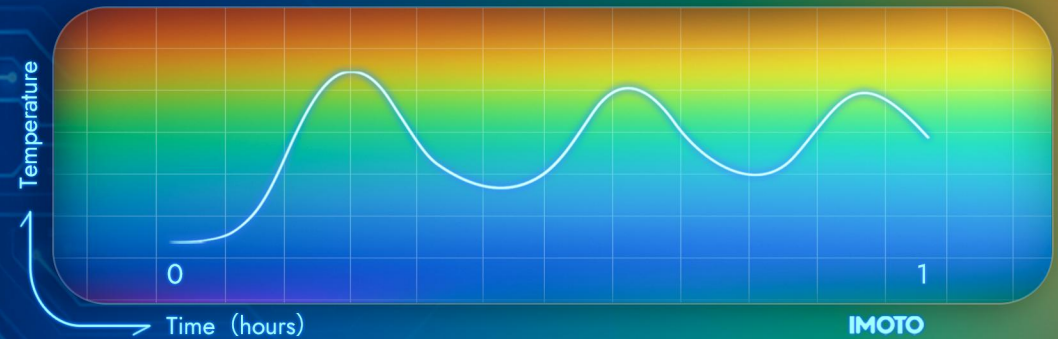

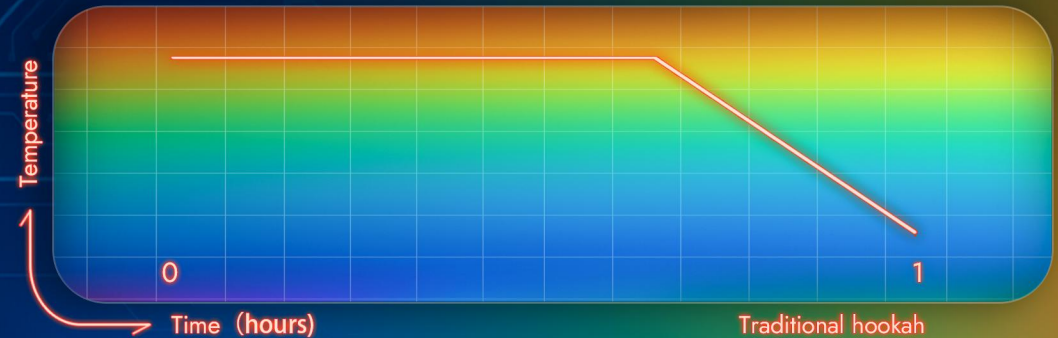

4, Clean the interior

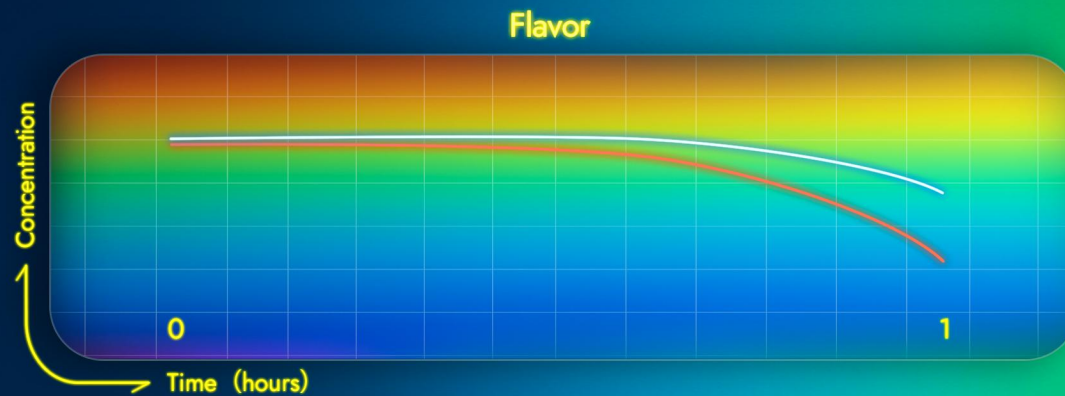

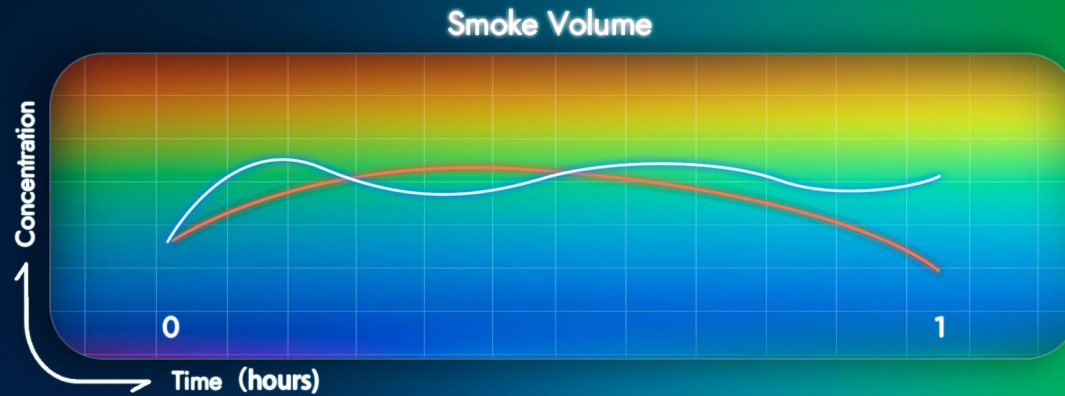

HeatCore™ Smart Control System

Setting the Industry
Standard for Temperature Curves.

IMOTO sets new standards of excellence in every aspect

A perspective view of a wall covered with numerous framed patent certificates. The certificates are arranged in a grid-like pattern, receding into the distance. The text 'IMOTO Patents' is overlaid on the left side of the image.

IMOTO Patents

Patents have been filed to safeguard the pioneering and innovative technology behind this product

World's First 360° Spherical Heating Technology

Even Heat Distribution for Maximum Compound Activation

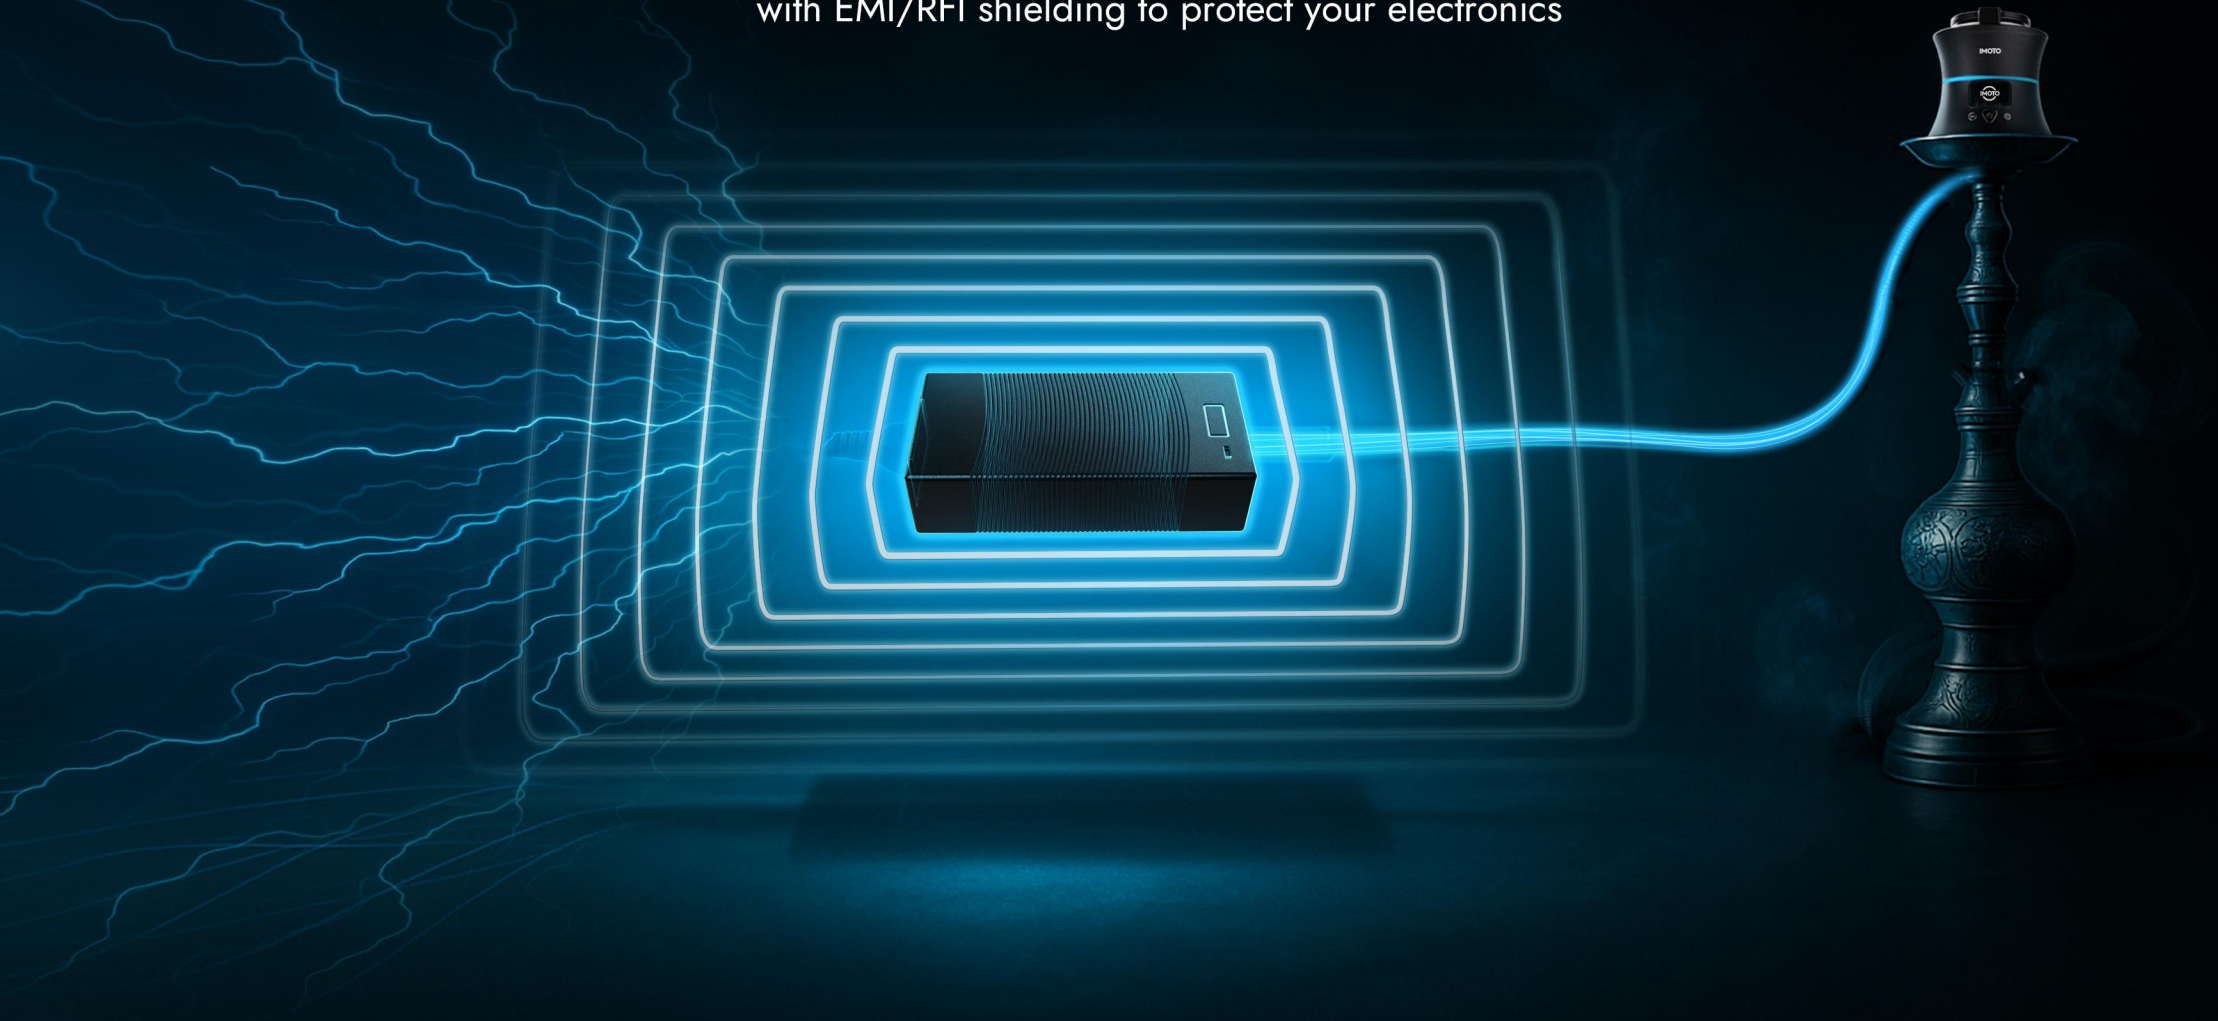

Built for You. Secured for You

Tilt detection with automatic power cut-off for
safer use, every time

IMOTO StableCore™ High-Performance Adapter

Delivers stable output under voltage fluctuations,
with EMI/RFI shielding to protect your electronics

Dimensions
3.7*3.8*4.0 (in)

Can be timed for one hour

TFT color screen

Three gears

Resistance
3.5Ω

Input voltage
16.8V

Strong Compatibility

Effortlessly plug and play with most traditional hookah bases,
tool free, Just enjoy

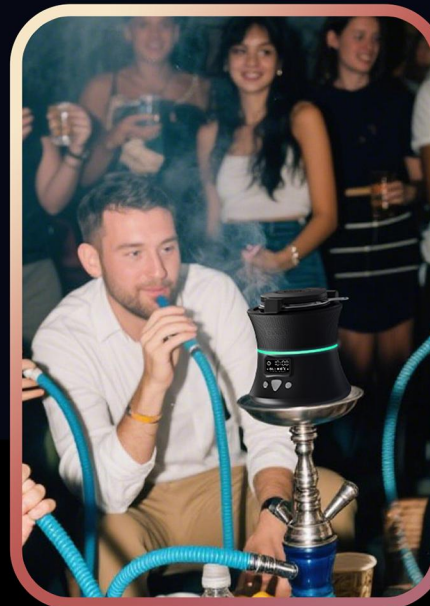

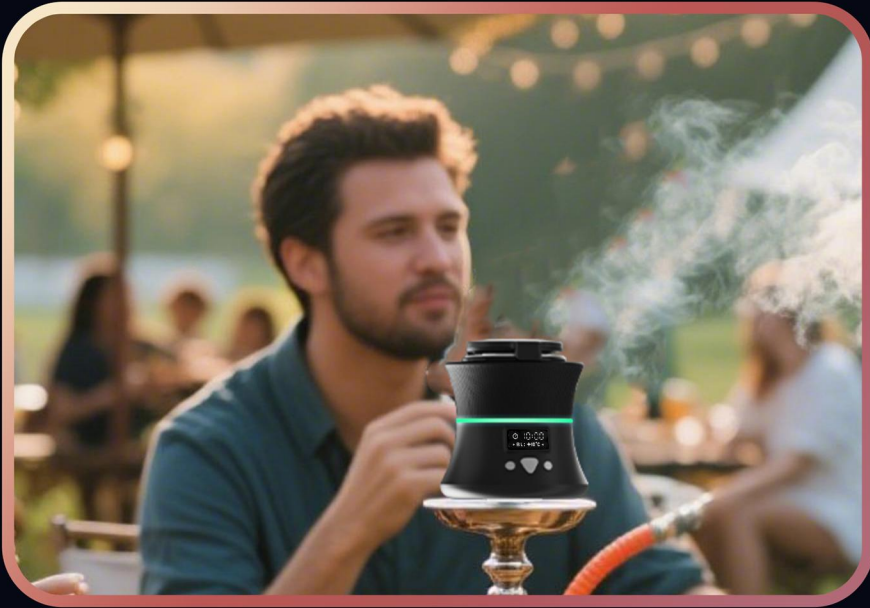

Intelligent Heat, Pure Enjoyment

Free from coal.
Free from combustion.
Just clean pleasure.
